

Leadership Coaching for High Performance

COACHING FOR RESULTS GLOBAL SEMINARS

"Coaching For Results Global provides a structured framework for improving the organization, from top to bottom, by using strategies that create accountable talk through a process that is inviting and solution focused. As a result of receiving this training, I now feel my coaching will reach the "tip of the iceberg" in every opportunity I have with my staff"

Dan Bolin, Principal Carrollton Farmer's Branch ISD, TX

Education -- and the role of educators -- is changing rapidly. Are you equipped to lead the change?

Coaching is an incredibly powerful way for education leaders, like you, to make an immediate, significant impact in the schools that they lead. Coaching has been proven to transform relationships, increase learning and dramatically change school cultures.

This seminar is designed specifically for district and school leaders who are committed to engaging in conversations that lead to transformational changes.

Essential components of this highly successful seminar include:

- Principles of effective leadership coaching
- Coaching language that produces reflective practice and increased performance
- Effective coaching behaviors of committed listening, paraphrasing and presuming positive intent
- Feedback that empowers, encourages and effectively communicates
- Coaching labs designed to accelerate knowledge and skill acquisition

Experience for yourself the power of this transformational learning experience. It is a must have for all leaders who are serious about providing a collaborative culture focused on high performance.
